ID Card Form

Tournament ID cards are required for all participants at PanAm Circuit events. Fill out this form and send it in with a photo and check/money order (not cash) for \$15.

The form must be filled out completely and legibly. The photo must be color, must show your full face, head (no headgear) and shoulders, and must be a photographic print or Polaroid at least 2 1/2 X 2 1/2 (no slides, paper copies or digital prints). The check or money order must be made payable to PanAm Circuit, Inc. Allow three weeks (21 days) for return delivery via mail to your listed street address. NOTE: If we cannot read your information or there is missing information or we cannot use your photo, we will not make an ID card and we will not attempt to contact you for corrections. You are responsible to follow up until you receive your ID card.

Players who wait to purchase their ID cards at a tournament will be charged \$25 for a temporary ID. A temporary ID is good for that one tournament only. The temporary ID must be mailed in with a photo to get an ID card made. If you do not mail in your temporary ID with a photo at least three weeks before the next tournament you attend, you will have to purchase another temporary ID. No exceptions.

ID cards remain valid for as long as a player remains in a classification. A new ID card must be ordered each time a player changes classification. No exceptions. Read the **PLAYER CLASSIFICATION** information at www.panamcircuit.com to determine your current status.
